FOR IMMEDIATE RELEASE

December 1, 2015

As part of an effort to promote active transportation as a way to reduce vehicle emissions and improve public health, Great Basin Unified Air Pollution Control District will be distributing bicycle lights at local schools throughout Inyo, Mono and Alpine counties during the month of December. Bicycle lights improve the safety and visibility of children and residents who use cycling as a means of transportation and are legally required when biking at night. For more information contact Ann Piersall at (760) 872-8211 or ann@gbuapcd.org.
