PUBLIC NOTICE

BEFORE THE GOVERNING BOARD OF THE GREAT BASIN UNIFIED AIR POLLUTION CONTROL DISTRICT

To consider the Modification of Stipulated Order for Abatement 110317-01
Issued to the City of Los Angeles Department of Water and Power (LADWP),

Pursuant to California Health & Safety Code Sections 40823 and 42450, as well as District Rule 811, the public is hereby notified that the Governing Board of the Great Basin Unified Air Pollution Control District will conduct a hearing to consider a petition to modify Stipulated Order for Abatement 110317-01 originally issued March 17, 2011. The hearing will be held at the Bishop City Council Chambers, 377 West Line Street in Bishop, California on Monday, August 19, 2013 at 9:00 am.

The Board will consider granting the LADWP's request for additional time to complete dust control measures on 3.1 square miles of the Owens Lake bed as ordered by District Governing Board Order 080128-01, with conditions as stated in a proposed modified stipulated order for abatement. The modifications will: 1) provide special consideration of cultural resources, 2) approve modified Best Available Control Measures (BACM), 3) accept from the LADWP a public-benefit contribution of \$10 million for control of dust from the Keeler Dunes, and 4) provide certain liability releases to the LADWP.

Interested persons wishing to attend the hearing should notify the Clerk of the Board, Tori DeHaven, at (760) 872-8211 or via email at tdehaven@gbuapcd.org, no later than August 12, 2013 to be notified of any schedule changes for the hearing.
